PTAC

RSNU PTACs

After providing service for the communities in its county for over 40 years, Platte County Legacy Home recently relocated to a brand-new facility with over 49,947 square feet. The facility offers semi-private and private rooms, totaling 50 nursing home beds and 16 assisted living beds.

Owner/Developer

Sampson Construction

Packaged Terminal Air Conditioners (PTACs) from Ice Air offer ultra-high efficiency in a durable, user-friendly package for new construction or replacement applications.

RSNU PTACs are a whisper-quiet solution offering exceptional energy efficiency. RSNU PTACs combine advanced features to satisfy LEED criteria requirements with easily programmable user settings for even greater energy savings.

About Ice Air. Headquartered in Mount Vernon, NY, Ice Air develops and manufactures a wide variety of HVAC units for new construction, replacement and retrofit applications. The company's PTAC products are designed to provide years of efficient, trouble-free performance in multifamily housing, hotels/motels, dormitories, commercial buildings and similar projects.
